## ANOTHER WOMAN ESCAPES

Mrs. McCumber Avoided a Serious Operation by Taking Lydia E. Pinkham's Vegetable Compound in Time

Georgetown, Ill.—"After my first baby was born I suffered so with my left side that I could not walk across the floor unless I was all humped over, holding to my side. I doctored with several doctors but found no relief and they said I would have to have an operation. My mother insisted on my taking Lydia E. Pinkham's Vegetable Compound and I soon found relief. Now I can do all my own work and it is the Vegetable Compound that has saved me from an operation. I cannot praise your medicine too highly and I tell all of my friends and neighbors what the Compound did for me." —Mrs. MARGARET MCCUMBER, 27 S. Frozier St., Georgetown, Illinois.

Mrs. McCumber is one of the unnumbered thousands of housewives who struggle to keep about their daily tasks, while suffering from ailments peculiar to women with backache, sideaches, headaches, bearing-down pains and nervousness, and if every such woman should profit by her experience and give Lydia E. Pinkham's Vegetable Compound a trial they would get well.

Mr. and Mrs. W. A. Jurnigan of Orlando, with their little infant son, Mr. and Mrs. J. J. McGrady, were guests over the week-end.
